 - Ar. Rajshree Patil informed all faculties that student discipline should be maintained in the entire college campus and the subject teacher will be held responsible for the same.
 - Ar. Rajshree Patil clarified that any faculty who receives any form of notice/memo from the institute will not be eligible for the yearly increment.
 - Ar. Purna Thakre raised an issue related to the AD-IV submission of third-year students. Due to a lack of time for design subjects, the students were not able to produce the required quality of work.
 - Hence to address this issue Dr. Seemantini Chaphalkar suggested assigning one dedicated week for the design subject only in the next term by suspending all other subject classes.
 - Ar. Rahul Joshi informed the students that were not clear about the basement planning and services to be provided in the building and he had to spend more time in the alteration of the design.
