VIDYA PRATISHTHAN'S SCHOOL OF ARCHITECTURE, BARAMATI

Vision

- To evolve as a leading institute in the field of Architecture supporting students from rural backgrounds and giving them a platform to nurture their interest in architecture design by providing quality education, focusing on holistic development, and shaping them into becoming globally competent for the industry and a responsible citizen of the nation.

Mission

- To create a student-centered environment conducive to curiosity among students leading to the desire to learn, and gain knowledge, with maximum engagement, and interaction.
- To promote quality culture through regular teaching-learning assessments and updating accordingly.
- To shape students as efficient professionals of the Industry by conducting various value-added courses parallel to academics, providing exposure and an environment for creative and lateral thinking, and shaping the skill set of the students according to their interest area.
- To encourage faculties and students to participate in research-based activities.
- To create awareness among students about their role in shaping society and becoming responsible citizens of India.

VIDYA PRATISHTHAN'S SCHOOL OF ARCHITECTURE, BARAMATI

Objectives of the Research and Design Consultancy Cell:

The VPSOA Research and Design Consultancy Cell aims to aid the evolution of VPSOA as a leading institute in the field of architectural research and design by providing integrated solutions and catering to the development of society, thereby bringing a positive and vital change. The cell is committed to producing quality research and design in order to achieve excellence through peer reviews leading to continuous improvements.

- To initiate a knowledge-oriented environment and encourage research-based design development in the field of architecture, urban design, urban planning, interior design, and landscape architecture
- To address the issues faced by society, by understanding our role in the development of society.
- To support and upgrade students and alumni of Vidya Pratishthan School of Architecture by creating job opportunities and exposure in the field of architecture
- To encourage students, faculties to engage in quality research.
- To collaborate with other research institutes, urban local bodies, NGOs, and other departments of Vidya Pratishthan to have a multi-disciplinary approach towards solving research challenges and design.

VIDYA PRATISHTHAN'S SCHOOL OF ARCHITECTURE, BARAMATI

The institute encourages and provides support to faculties and students to develop the habit of doing research. VPSOA takes the following initiatives in creating a vibrant environment for research.

Incentives to staff:

- Faculty members will be motivated for attending conferences/workshops at national and international levels.
- Teaching staff members will be provided financial assistance from the institute to attend research conferences /workshops and membership fees of professional bodies.
- The institute has a provision for offering financial aid for teaching staff for higher studies/ courses so that they may earn more education credits and boost their careers.
- The institute has a provision for offering study leave to the Ph.D. pursuing faculty as per the rules of management.

Incentives to students:

- The best Thesis Award will be given to a final-year student who secured the first position in the class.
Award – INR 1000 and memento
- The student who qualifies JAM/CLAT/GATE/ GMAT/ CAT/ GRE/ TOEFL/ Civil Services/ exams during the graduation period will be given an award of INR 1000 and a memento.
